	)	

COMES NOW Larry Deiter, Liquidator ("the Liquidator") of ReliaMax Surety Company ("ReliaMax"), and hereby applies to the Court for an Order approving the Liquidator's Fourth Claims Report and recommendation to allow payment of distributions for uncontested claims as follows:

1. This application is made pursuant to SDCL 58-29B-125, wherein the Liquidator is required to review all claims duly filed in the liquidation proceedings, make such further investigation as he deems necessary, and submit a claims report ("Fourth Claims Report") to the Court containing his claims recommendations.
2. Between the entry of the Order of Liquidation on June 27, 2018 and the Claims Bar Date, December 31, 2018, the Liquidator issued approximately 15,057 Notices of Liquidation and Proof of Claim ("POC") forms, with instructions to policyholders, third-party claimants, and other potential claimants and/or creditors of ReliaMax.
3. Starting on July 7, 2018, notice of the liquidation was published throughout the country and State of South Dakota informing interested parties of the liquidation proceedings and including contact information and instructions for the timely filing of a POC.

4. On or before the Bar Date of December 31, 2018, the Liquidator received 1,774 timely-filed POCs. Included therein, the Liquidator also received 3 late-filed claims, each of which are approved or assigned a subordinate class that will not be evaluated at this time. Throughout the Liquidator's review of the filed POCs, certain POCs have been compounded or split based on the claim asserted, resulting in a total of 1,825 POCs received.
5. 1,308 Class 3 claims have now been completely adjudicated pursuant to SDCL Ch. 58-29B and approved by the Court in its Orders regarding the First Claims Report in the Liquidator's Application No. 13 ("First Claims Report"), the Second Claims Report in the Liquidator's Application No. 15 ("Second Claims Report") and the Third Claims Report in the Liquidator's Application No. 16 ("Third Claims Report"). At the time the Order was approved for the Third Claims Report, 1 remaining Class 3 POC is pending under the Procedures Governing Special Referee's Proof of Claim Adjudication process. To date, all approved Class 3 claims have now been fully adjudicated and paid, except for 1 having been referred and now pending with the Special Referee.
6. The Liquidator has now adjudicated, pursuant to SDCL Ch. 58-29B, 454 Class 4 claims and are comprised as follows:
 - a. 394 Class 4 claims approved
 - b. 59 Class 4 claims denied

One additional Class 4 claim has been conditionally approved but could be impacted by the Special Referee's determination of a Class 3 claim discussed above in paragraph 5. Adjustments will be made in the final distribution to this claimant dependent on the final decision of this Court.

7. SDCL 58-29B-124(3) provides that claims of a guaranty association are to be considered Class 3 claims. The only state to have a guaranty association/ security fund (the "Security Fund") that may have such a claim related to this Liquidation is the state of New York as surety is a kind of insurance covered under the Security Fund, pursuant to N.Y. Ins. Law § 7603(a)(1). To date, no ancillary receiver has been appointed or requested to open the Security Fund.
8. In efforts to timely conclude the liquidation and limit any prejudice to the orderly administration of the liquidation, the Liquidator, after thorough investigation and pursuant to SDCL 58-29B-125, has negotiated the settlement of a potential claim against

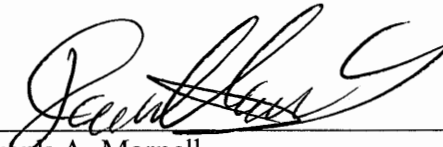

the Security Fund in New York.¹ This agreement is attached as Exhibit C and is limited to the amount that may have been available to the claimant under the Security Fund. See N.Y. Ins. §7603(a)(2)). Claimant's remaining excess Class 4 claim will be handled in the same manner as all other Class 4 claimants and is reflected on Exhibit A hereto.

9. The remaining subordinate classes of claims, 55 Class 6 claims, and 7 Class 8 claims, are yet to be valued. Classes subordinate to Class 4 will not be evaluated on their merits, as we anticipate Class 4 claims will exhaust remaining funds.
10. Pursuant to SDCL 58-29B-125, attached hereto as Exhibit A and incorporated herein is the Fourth Claims Report that contains a schedule listing the names and addresses of these 454 claimants holding a priority Class 4 claim as defined by SDCL 58-29B-124, the POC number assigned by the Liquidator, and the valuation of the claim proposed by the Liquidator.
11. Pursuant to SDCL 58-29B-49(6), one of the principal goals of the Liquidator is to collect assets for the ultimate purpose of distributing assets to the creditors of ReliaMax. While the Liquidator is still in pursuit of these assets, the Liquidator believes that it is presently reasonable to make an interim distribution of fifteen percent on Class 4 claims sought for approved herein. Such a distribution would permit creditors to receive a percentage of their claims while reasonably reserving assets to allow the Liquidator to continue to pursue assets of ReliaMax.
12. Once the recovery of assets by the Liquidator has concluded and a final accounting can be made, a final distribution amount to approved Class 4 claimants will be sought from the Court for approval.
13. Exhibit A evidences the Liquidator's recommended aggregate Class 4 claim valuation of \$76,754,830.31, premiums due ReliaMax from certain of these claimants in the amount of \$619,741.91, and an interim distribution of fifteen percent with the proposed net amount due these Class 4 claimants of \$11,038,600.79.
14. In support of this Application No. 18 for Order Approving the Fourth Claims Report and Recommendation, the Liquidator has attached the affidavit of Michael J. FitzGibbons, Special Deputy Liquidator as Exhibit B.

¹ By resolving this potential claim, there is no longer a need for New York to open an ancillary estate. The administrative expenses of an ancillary estate would be reimbursed as a Class 1 claim thereby diminishing distributions to all subordinate classes. Eliminating this expense enhances all subordinated claimants.

15. The Liquidator recommends the proposed net payments as set forth above in paragraph 8 and 13 and as shown in Exhibit A & C and seeks the Court's approval of the same.

WHEREFORE the Liquidator respectfully requests that the court enter an Order approving the Fourth Claims Report and recommendation to allow payment of distributions for uncontested claims by the Liquidator as contained in this Application and set forth in Exhibit A. Respectfully submitted this 23rd day of November 2020.

COUNTY OF MARICOPA)

Michael FitzGibbons, of lawful age and being first duly sworn states as follows:

1. I am the duly appointed Special Deputy Liquidator of ReliaMax Surety Company ("ReliaMax"). Under the general supervision of the Court and the Liquidator, my staff and I oversee the day-to-day operations of ReliaMax to timely and efficiently wind down the ReliaMax liquidation estate. I am familiar with the claims process and with the claims that have been filed. Therefore, I have personal knowledge of the matters addressed in this Affidavit.
2. I have reviewed and support the Liquidator's Application No. 18 for Order Approving Liquidator's Fourth Claims Report & Recommendation ("Application No. 18") and its exhibits that pertains to 454 adjudicated Class 4 claims, as prescribed by SDCL 58-29B-124 to SDCL 58-29B-126. This Affidavit is provided in support of Application 18.
3. The Liquidator's Fourth Claims Report and Recommendation should be approved by the Court for the reasons listed below.
 - a. Notice of ReliaMax's liquidation was given in accordance with SDCL 58-29B-51.

- b. In accordance with SDCL 58-29B-51, the notice specified that the last date to file a timely proof of claim with the Liquidator was December 31, 2018. Timely proofs of claim must be postmarked no later than 5:00 P.M. Central Standard Time, on such date.
- c. The Liquidator's Proof of Claim ("POC") forms are in compliance with SDCL 58-29B-106 to 58-29B-110 and provided notice thereof in accordance with SDCL 58-29B-47 to 58-29B-51.
- d. As the duly-appointed Special Deputy Liquidator, I have considered each and every of the 454 POCs subject to this Fourth Claims Report, in accordance with the requirements of the SDCL Ch. 58-29B.
- e. I am administering the POC process. I have employed staff of ReliaMax to assist me in the adjudication of claims under policies for losses incurred. The employed staff make recommendations to the Liquidator as to the validity, valuation and priority of each POC pursuant to the Report Regarding Unearned Premium For Use In Calculation of Class 4 Unearned Premiums Claims filed with this Court. The Liquidator, and/or his duly appointed Special Deputy, then independently approves or denies the employed staff recommendations in whole or in part and submit the same to this Court for approval.
- f. Each and every POC subject to this Claims Report contains the necessary claim file documentation for the Liquidator's recommendation thereon.
- g. To the extent this Claims Report includes claims that were denied in whole or in part, notice of such denial complying with SDCL 58-29B-119 was provided to the affected claimants and either no timely objection was made by the affected claimants, the objection was resolved by mutual agreement or the Claim was referred to the Special Referee.
- h. This Claims Report includes claimants who received a technical clarification from the Liquidator regarding adjudication of outstanding credit balances. Any new objections regarding the clarification of these credit balances will be handled according to the Disputed Claims Procedure and updated with the court accordingly.
- i. All claim disputes have been and will be adjudicated pursuant to the Procedures Governing Special Referee's Proof of Claim Adjudication as approved by the Court in its Order regarding the Liquidator's Application No. 8 process.

**Notice to Policyholders, Third-Party Claimants, and Other
Potential Claimants or Creditors**

4. Between the entry of the Liquidation Order on June 27, 2018 and December 31, 2018, I caused to be issued approximately 15,057 Notices of Liquidation and POC forms, with instructions to policyholders, third-party claimants, and other potential claimants and/or creditors of ReliaMax.
5. Starting on July 7, 2018, I caused to be published Notice of the liquidation in the New York Times, a newspaper of countywide circulation in the United States, informing interested parties of the liquidation proceedings and including contact information and instructions for the timely filing of a claim. Starting on July 27, 2018, I caused to be published notice in the Argus Leader, a newspaper of state circulation in South Dakota, informing interested parties of the liquidation proceedings and including contact information and instructions for the timely filing of a claim.

Completed and Adjudicated Priority Class 3 & 4 Proof of Claims

6. On or before the Bar Date of December 31, 2018, the Liquidator received 1,771 timely filed POCs, and 3 late-filed POC's. The late filed claims have been reviewed and adjudicated. Throughout my review of the filed POCs, certain POCs have been compounded or split based on the claim asserted, resulting in a total of 1,825 POCs received.
7. All Class 3 claims have now been fully adjudicated and paid but for one (1) having been referred and now pending with the Special Referee.
8. Attached to Application No. 18 and incorporated by reference as Exhibit A is a listing of the names and addresses of the 454 Class 4 claimants subject to this application as defined in SDCL 58-29B-124, the assigned POC for each of these claimants, and the amount of the claim recommended and now proposed as the Liquidator's final valuation pursuant to SDCL 58-29B-125. A fifteen percent interim distribution is now recommended to this Court. Subsequent distributions will be determined and made at the appropriate time in accordance with SDCL 58-29B-126 and SDCL 58-29B-127. Upon conclusion of the recovery of assets by the Liquidator and when a final accounting can be made, a final distribution amount to approved Class 4 claimants will be sought from the Court for approval.
9. To the best of my knowledge, the only state to have an affected guaranty association/ security fund (the "Security Fund") that may have a claim related to this Liquidation is the state of New York. In New York, surety is a kind of insurance covered under the Security Fund, pursuant to N.Y. Ins. Law § 7603(a)(1). To date, I am unaware of any ancillary receiver being appointed or requested to operate such a Security Fund in New York.
10. After thorough investigation and pursuant to SDCL 58-29B-125, I negotiated the settlement of a potential claim against the New York Security Fund. This agreement is

attached as Exhibit C and is limited to the amount that may have been available to the claimant under the Security Fund. See N.Y. Ins. §7603(a)(2)). Claimant's remaining excess claim will be adjudicated in the same manner as all other Class 4 claimants and is reflected on Exhibit A hereto. In efforts to timely conclude the liquidation and limit any prejudice to the orderly administration of the liquidation, it is my opinion that this agreement should be approved as provided in Exhibit C hereto.

11. Unless otherwise noted herein, it is my belief the claims subject to this Report and Application are not subject to modification. If any additional factors hereafter come to my attention which may require any modification, such as third-party payments or releases of any such claims, I will notify the Liquidator, and he and/or I will promptly bring those matters to the attention of this Court in an application to modify such claims.
12. It is my opinion that the Liquidator's Application No. 18 contains an accurate Fourth Claims Report. The valuations set forth in Exhibit A, containing a fifteen percent distribution, and the settlement payment in Exhibit C, should be approved.

Dated this 23rd day of November 2020.

SETTLEMENT AGREEMENT

THIS SETTLEMENT AGREEMENT, made and entered into by and between **Larry Deiter, Director of the South Dakota Division of Insurance in his capacity as Liquidator of ReliaMax Surety Company** (the "**Liquidator**") and **MetaBank**, a federal savings bank ("**MetaBank**") and is effective as of November 10, 2020 (the "**Effective Date**").

WHEREAS:

A. The Liquidator is the duly appointed, qualified and acting liquidator of ReliaMax Surety Company ("**Surety**") in that certain liquidation proceeding captioned *State of South Dakota, ex rel. Larry Deiter, Director of Insurance of the State of South Dakota v. ReliaMax Surety Company*, 32CIV18-125, pending in Circuit Court for the Sixth Judicial Circuit, Hughes County, South Dakota (the "**Liquidation Court**"), pursuant to an Order of Liquidation, Judicial Declaration of Insolvency, and Injunctive Relief signed and filed on June 27, 2018 (the "**Liquidation Proceeding**").

B. At the time of the Liquidation Order, MetaBank held two insurance policies from Surety; NY-MET1-2016-0374 (Issued to Lexington SL I, LLC, policy period December 20, 2016-June 17, 2017) and NY-MET2-2017-0624 (Issued to FCDB PSL Trust 2010-1, policy period October 11, 2017 -April 9, 2018) (collectively the "**MetaBank Policies**"), by virtue of certain student loan portfolio acquisitions. The MetaBank Policies were issued in the state of New York and Surety was an authorized insurer in New York at the time of issuance.

C. Article 76 (§7601 et. seq.) of New York Insurance Law provides a New York Property/Casualty Insurance Security Fund (the "**Security Fund**") to be used in the payment of allowed claims remaining unpaid in whole or in part, by reason of the inability due to the insolvency of an authorized insurer to meets its insurance obligations under policies. The MetaBank Policies may be among the types of policies which are covered by the Security Fund.

D. The Liquidator caused notice to be provided to all potential claimants of the Liquidation Proceeding, pursuant to SDCL §58-29B-51 and 58-29B-52. This notice included MetaBank, as holder of the MetaBank Policies.

E. MetaBank filed a total of twenty-nine (29) claims with the Liquidator; twenty-eight (28) Class 3 claims on policies for losses incurred and one (1) Class 4 claim under nonassessable policies for unearned premium.

F. All twenty-eight Class 3 claims of MetaBank filed with the Liquidator have been fully adjudicated and settled. MetaBank's single Class 4 claim, for return of

unearned premium, has been adjudicated by the Liquidator in the amount of eleven million nine hundred fifty three thousand four hundred seventy three dollars and eighteen cents (\$11,953,473.18) ("**MetaBank's Claim**") but any claim against the Security Fund in New York remains unfiled unless and until a petition is filed as an ancillary liquidation proceeding to the open Security Fund.

G. The remaining assets of the Surety available to claimants in the Liquidation Proceeding must be determined before the Liquidator can proceed with making disbursements on approved Class 4 claims. In order to do so, the Liquidator requires final resolution of any potential claim MetaBank has against the Security Fund.

H. Opening an ancillary liquidation proceeding would create additional expense and delay for both parties. Any funds paid through an ancillary liquidation proceeding to MetaBank would be reimbursed by the Liquidator as a Class 3 claim to the Security Fund, pursuant to SDCL 58-29B-124. Additionally, any expenses incurred by the Security Fund would be reimbursed by the Liquidator as a Class 1 claim pursuant to SDCL 58-29B-124.

I. The Liquidator and MetaBank have now reached an agreement that will avoid the need for any claim against the Security Fund, as set forth below.

NOW, THEREFORE, intending to be legally bound, and subject to the approval of this Agreement by the Liquidation Court, the Liquidator and MetaBank hereby agree as follows:

1. **Recitals Incorporated.** The Parties acknowledge and agree that the aforementioned Recitals are true and correct statements of fact and are incorporated herein by reference.

2. **MetaBank's Warranties.** MetaBank hereby warrants, represents and agrees as follows:

2.1 MetaBank is and remains the sole holder of all MetaBank Claims free of all liens, interests and encumbrances, and has not assigned any right, title or interest thereto.

2.2 MetaBank has full and complete authority to enter into and perform this Agreement; and no regulatory approval is required.

2.3 MetaBank has not, and hereafter shall not, provided this Agreement is approved by the Liquidation Court in the Liquidation Proceeding and that approval is not thereafter altered on appeal or otherwise, file any claim or institute any petition or proceeding with or against any state insurance guaranty fund, including without

limitation, the Security Fund, to recover any loss, damage or other amount for which it has sought recovery in the Liquidation Proceeding.

2.4 Provided this Agreement is approved by the Liquidation Court in the Liquidation Proceeding and that approval is not thereafter altered on appeal or otherwise, MetaBank shall bring no motion, action or petition in the Liquidation Proceeding that seeks to compel the Liquidator to file any ancillary proceeding in any other state, or to obtain court permission to do so in its own name or with others.

2.5 MetaBank consents to, and shall not challenge in any way, the Liquidator's adjudication of the MetaBank Claim, subject to the Liquidator's payment obligation described in Section 3.

3. **Payment** In consideration of the release set forth above, the Liquidator agrees to pay MetaBank, by wire transfer, the sum of two-million dollars (\$2,000,000.00) (the "**Payment**") within the later of: fifteen (15) days of approval of this Agreement by the Liquidation Court or fifteen (15) days from the date the wire instructions are provided by MetaBank to Surety. This Payment will reduce MetaBank's Class 4 claim to nine million nine hundred fifty-three thousand four hundred seventy-three dollars and eighteen cents (\$9,953,473.18) ("**MetaBank's Remaining Claim**").

4. **Remaining Claim.** MetaBank's Remaining Claim shall only be handled by the Liquidator within the confines of the Liquidation Proceeding pursuant to SDCL § 58-29B.

5. **Release.** Except for performance of this Agreement, including the Payment, MetaBank hereby fully and forever releases and discharges the Liquidator, the Security Fund and Surety from any and all claims, actions, liabilities, damages, costs, fees and expenses, including attorneys' fees and expenses, arising directly or indirectly from any and all Security Fund liability, or otherwise payable by the Security Fund.

6. **Notice.** Any notice or communication under this Agreement shall be in writing and delivered (by hand, telecopy, telegraph, telex or courier) or deposited in the United States mail (first class, registered or certified), postage fully prepaid and addressed as stated below. Either party may, from time to time, specify as its address for purposes of this Agreement any other address upon the giving of ten days' notice thereof to the other party in the manner required by this paragraph. This paragraph shall not prevent the giving of written notice in any other manner, but such notice shall be deemed effective only when and as of its actual receipt at the proper address and by the proper addressee.

7. **Entire Agreement** Subject to Section 5, this Agreement represents the entire and integrated agreement between the parties hereto with respect to the MetaBank

Policies subject to the Security Fund. and supersedes all prior negotiations, representations or agreements, oral or written. This Agreement may be amended or modified only in writing signed by the party to be bound by such amendment or modification and stating that it is intended as an amendment or modification of this Agreement. The parties waive their rights to amend or modify this Agreement in any other manner.

8. **Severability.** If any one or more of the provisions of this Agreement shall be determined to be invalid, illegal or unenforceable in any respect for any reason, the validity, legality or enforceability of such provision in every other respect and the remaining provisions of this Agreement shall not be in any way impaired.

9. **Nonwaiver.** Failure of a party to insist upon adherence to any term of this Agreement on any occasion shall not be considered a waiver or deprive that party of the right thereafter to insist upon adherence to that term or any other term of this Agreement.

10. **Governing Law.** This Agreement shall be governed by and interpreted under the substantive laws of the State of South Dakota without regard to principles of conflicts of law. Pursuant to the stay on actions against the liquidation estate, any dispute regarding this Agreement must be heard in Hughes County Circuit Court in Pierre, South Dakota, as part of the Liquidation Proceeding.

11. **Interpretation.** This Agreement shall be deemed prepared jointly by the Liquidator and MetaBank; and neither shall be deemed its sole author. In the event of any claim of ambiguity, no provision shall be thereby construed against either party.

12. **Headings.** The section headings to this Agreement are intended solely for the parties' convenience and shall not affect the interpretation or construction of any portion or provision of this Agreement.

13. **Counterparts.** This Agreement may be executed in separate counterparts and by separate signature pages and each counterpart with attached executed signature pages shall constitute an executed original of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement effective as of the Effective Date.
