Michael FitzGibbons, of lawful age and being first duly sworn states as follows:

1. I am the duly appointed Special Deputy Liquidator of ReliaMax Surety Company ("ReliaMax"). Under the general supervision of the Court and the Liquidator, my staff and I oversee the day-to-day operations of ReliaMax to timely and efficiently wind down the ReliaMax liquidation estate. I am familiar with the claims process and with the claims that have been filed. Therefore, I have personal knowledge of the matters addressed in this Affidavit.
2. I have reviewed and support the Liquidator's Application No. 13 for Order Approving Liquidator's First Claims Report & Recommendation ("Application No. 13) and its exhibits that pertains to 1,212 claimants holding a priority Class 3 claim, as prescribed by SDCL 58-29B-124 to SDCL 58-29B-126. This Affidavit is provided in support of Application 13.
3. The First Claims Report and recommendation in the Liquidator's Application No. 13 are required for the liquidation of the estate, which the court should approve for the reasons listed below.

The Claims Process

4. The claims process has included the following components, each and every one of which has been followed:
- a. Notice of ReliaMax's liquidation was given in accordance with SDCL 58-29B-51.
 - b. In accordance with SDCL 58-29B-51, the notice specified that the last date to file a timely proof of claim with the Liquidator was December 31, 2018. Timely proofs of claim must be postmarked no later than 5:00 P.M. Central Standard Time, on such date.
 - c. The Liquidator's Proof of Claim ("POC") forms are in compliance with SDCL 58-29B-106 to 58-29B-110 and provided notice thereof in accordance with SDCL 58-29B-47 to 58-29B-51.
 - d. As the duly-appointed Special Deputy Liquidator, I have considered each and every of the 1,212 POCs subject to this Claims Report, in accordance with the requirements of the SDCL Ch. 58-29B.
 - e. I am administering the POC process. I have employed staff of ReliaMax to assist me in the adjudication of claims under policies for losses incurred. The employed staff make recommendations to the Liquidator as to the validity, valuation and priority of each POC. The Liquidator, and/or his duly appointed Special Deputy, then independently approves or denies the employed staff recommendations in whole or in part and submit the same to this Court for approval.
 - f. Each and every POC subject to this Claims Report contains the necessary claim file documentation for the Liquidator's recommendation thereon.
 - g. To the extent this Claims Report includes claims that were denied in whole or in part, notice of such denial complying with SDCL 58-29B-119 was provided to the affected claimants and either no timely objection was made by the affected claimants or the objection was resolved by mutual agreement.
 - h. All claims disputes have been and will be adjudicated pursuant to the Procedures Governing Special Referee's Proof of Claim Adjudication as approved by the Court in its Order regarding the Liquidator's Application No. 8 process.

**Notice to Policyholders, Third-Party Claimants, and Other
Potential Claimants or Creditors**

5. Between the entry of the Liquidation Order on June 27, 2018 and December 31, 2018, I caused to be issued approximately 15,057 Notices of Liquidation and POC forms, with instructions to policyholders, third-party claimants, and other potential claimants and/or creditors of ReliaMax.
6. Starting on July 7, 2018, I caused to be published Notice of the liquidation in the New York Times, a newspaper of countywide circulation in the United States, informing interested parties of the liquidation proceedings and including contact information and instructions for the timely filing of a claim. Starting on July 27, 2018, I caused to be published notice in the Argus Leader, a newspaper of state circulation in South Dakota, informing interested parties of the liquidation proceedings and including contact information and instructions for the timely filing of a claim.

Completed and Adjudicated Priority Class 3 Proof of Claims

7. On or before the Bar Date of December 31, 2018, the Liquidator received 1,774 timely filed POCs, and 3 late-filed POC's, which these 3 claims are pending review.
8. 1,212 Class 3 claims have now been adjudicated and are the subject of this application. All remaining unadjudicated Class 3 POCs, 96, are under evaluation.
9. Attached to Application No. 13 and incorporated by reference as Exhibit A is a listing of the names and addresses of 1,212 claimants in this liquidation within priority Class 3 claims as defined in SDCL 58-29B-124, the number assigned to the POC submitted by each of these claimants, and the amount of the claim finally recommended and now proposed as the Liquidator's recommended value pursuant to SDCL 58-29B-125. Actual distributions will be determined and made at the appropriate time in accordance with SDCL 58-29B-126 and SDCL 58-29B-127.
10. To the best of my knowledge and belief, the claims subject to this Report and Application are not subject to modification. If any additional factors hereafter come to my attention which may require any modification, such as third-party payments or releases of any such claims, I will notify the Liquidator, and he and/or I will promptly bring those matters to the attention of this Court in an application to modify such claims.
11. It is my opinion that the Liquidator's Application No. 13 contains an accurate First Claims Report and distributions should be made in accordance with Exhibit A attached hereto.

Dated this 18th day of November 2019.

Michael J. FitzGibbons, Special Deputy Liquidator
ReliaMax Surety Company, in Liquidation
